### **Donations Requested for Galt Community Toy Drive**

The Cosumnes Fire Department, the Cosumnes Firefighters Association, and the Galt Police Department are in desperate need of your assistance for the Galt Community Toy Drive. The Toy Drive is an annual event that supplies less fortunate families in the 95632 zip code with toys for their children up to twelve years of age. This year, applications for assistance have far exceeded the amount of toys available and we are currently unable to provide gifts for over 100 children.

**YOU CAN HELP!** Your donation of new, unwrapped toys, or gift certificates will go a long way to bring the magic of Christmas to a child! Especially needed are gifts for both boys and girls ages 9 to 12. Bins are available at the Galt Walmart, all elementary schools in Galt, the Galt Police Department, both fire stations in Galt (229 5<sup>th</sup> Street or 1050 Walnut Avenue), and the Cosumnes Fire Department Headquarters office (10573 E Stockton Blvd., Elk Grove). We have extended our donation period through Friday, December 18, in hopes that we can fulfill all requests for assistance.

Thank you in advance for whatever assistance you can give to provide our community's children with a very Merry Christmas!
