

Helpful Hints

for Cosumnes CSD Swim Lessons

Laugh, Splash, and Play

- Please make sure you have selected the appropriate level for your child. Once registered, you can only transfer classes 72 hours prior to the start day
- It is recommended that children repeat the last level they completed the previous summer.
- Most children remain in the same level for 2 or more sessions.
- If unsure of which level your child is in, choose the level you know they can do the skills in (refer to the Progress Report)
- Please have a second and third choice ready when registering, as classes fill up quickly.
- Your child will not be moved to a different level or class if registered incorrectly. You may be asked to leave the class without a refund for selecting the wrong class.
- Remember that both the Jerry Fox Swim Center and Wackford Community and Aquatic Complex offer swim lessons, so if a class is full at 1 pool, check the other facility. (Summer session only)
- Please make sure your child has a swim suit, towel and plenty of sun block! For children in diapers, swim diapers must be worn in the pool. Goggles and swim caps can be worn during classes (no nose plugs or full face masks).
- Be on time or early to class!
- Classes will be cancelled when severe weather conditions (lightning, hail, etc.) are in the area. Staff will follow local weather reports for the latest conditions. Classes will be conducted rain or shine. In the event of severe weather and classes are cancelled, all attempts will be made to provide a credit for the missed class.

Have Fun and Discover the Water!
