

Frequently Asked Questions

What if the date I want is already full?

If the date(s) or times you desire are full we can place you on a waitlist to be contacted if anything becomes available.

How do I pay for my party?

Payment for your party is due in full at time of registration. You may pay over the phone or in person with card, cash, or check.

How early can I enter the party area to set up?

All guests are allowed into the facility when we open, regardless of party time. The main contact may enter the party area 30 minutes prior to party time to set-up.

What if we want to stay longer in the Aquatic Complex before and after the designated party time?

All guests are allowed into the facility, and to stay in the facility, during the duration of Recreation Swim. Guests are only allowed in the party area during their party time but may enjoy the rest of the facility during non-party times.

What if I have more than 30 guests?

We limit the guest list to **30 guests maximum**, including hosts, parents and children. If you have over 30 guests, you must purchase a second party. Party's with attendance higher than 60 guests (two parties) may want to consider the Private Splash Party, or a private pool rental.

Who is considered a "guest?"

Anyone who is attending the party is considered one of the 30 guests. This includes the main contact, the guest of honor, children and any guest that enters the facility. Children ages 1 year old and under are not considered one of the 30 guests.

What if I want more pizzas or soda?

We have designed the Adventure Party Package to accommodate 30 guests. Each extra-large pizza has 12 slices, 5 pizzas will allow each guest to have 2 slices of pizza. Additional pizza, food or beverages can be purchased at the Aqua Café the day of your event. Please keep in mind that pizzas can take up to an hour to be delivered.
