2. Opens the public hearing and accepts input or proposed changes to any of the 8 draft maps and sequence of the voting districts up for election in 2020
3. Closes the public hearing
4. Provides direction to staff on any changes to the draft voting maps

No formal action is required.

BACKGROUND/ANALYSIS

In accordance with Elections Code Section 10010, the District's demographer, Redistricting Partners, prepared 3 draft voting maps. These maps were presented at a public hearing on August 7, 2019 (maps 1-3, attached). Based on comments at the August 7, 2019 hearing, Redistricting Partners brought back 3 modified draft voting maps to the August 21, 2019 public hearing (maps 4-6, attached).

At the September 18, 2019 meeting, community member Andres Ramos requested that the Board schedule another public hearing to allow for proposed modifications to the draft voting maps. Mr. Ramos provided 2 new proposed maps for this hearing. Using Mr. Ramos' proposed maps and working within the parameters of the California Voting Rights Act, including equal population and communities of interest, Redistricting Partners prepared 2 additional draft voting maps for the Board's consideration (maps 7-8, attached).

In accordance with state law, all 8 draft maps and the Board's designation that the odd-numbered districts in each voting map be up for election in 2020 are available at <https://www.yourcsd.com/891/Transitioning-to-District-Based-Election>. While no noticing provisions are required, the District sent notice of all public hearings to the Galt City Clerk and Elk Grove City Clerk. Notice of the public hearings was also published in the Elk Grove Citizen and Galt Herald.

To complete the process, the Board must hold a final public hearing and adopt a resolution establishing district-based elections and approving the final voting districts' map. Due to

Director absences, this final public hearing is scheduled for November 6, 2019. The Board cannot amend the voting district maps at the November 6, 2019 meeting because the final maps must be posted on the District's website at least 7 days before the Board adopts a map.

FINANCIAL ANALYSIS

There is no fiscal impact associated with this public hearing.

SUSTAINABILITY ANALYSIS

No sustainability analysis was conducted.

Should you have any questions, please contact me prior to the Board meeting.

Respectfully submitted,

Sigrid Asmundson
District Counsel
