Dear Participant or Parent/Guardian,

There is no higher priority to the Cosumnes CSD than the health and safety of our community and employees. In accordance with the California Department of Public Health's Guidance for the Use of Face Covering, the following practices have been instituted for in-person programs and activities:

1. Participants and Parents/Guardians must wear a face covering during drop-off and pick-up.
2. Participants should bring a face covering to be worn any time 6-foot social distancing is not feasible.

Due to limited supplies, we are unable to provide masks at this time. As such, we strongly encourage you and your participant to arrive prepared with their own face covering. If you or your participant qualifies for an exemption, please notify program staff at drop-off.

Respectfully,

Cosumnes CSD Team
