T-Ball

Spring is just around the corner and it is T-Ball time again. Welcome all new participants and parents, and if you are returning, it's nice to see you back in the program. Registration fees will include a T-Ball shirt, a hat, a team picture, an individual picture, and a medal. Parents are responsible for providing their child with a glove and appropriate shoes. Players are encouraged to wear cleats; however, they are not required.

Parents

T-Ball is a developmental program for children. Practices are scheduled once a week, with location and time determined by the coach. In this league, all participants will bat every inning and play in the field. It is crucial for adults to be positive role models. Please do not bring tobacco (smoking or chewing), alcohol or drugs of any kind to games or practices. Players are not allowed to wear any jewelry.

Divisions

Participants will be placed in divisions based on their age and experience. Coaches in both divisions will teach the basic fundamentals of baseball, good sportsmanship, and team work throughout the season.

Seeking Coaches

Teams need 2-4 coaches to assist with practices and weekly games. This is a fun and enlightening experience for both parent and child. Aunts, uncles, and grandparents are encouraged to coach. Coach's Orientation is scheduled for Thursday, February 7, 2019 at the Wackford Community and Aquatic Complex. All coaches will be required to complete online Coaches Certification and be cleared with fingerprints.

Become a Team Parent

When your child's coach calls, consider helping by becoming a Team Parent. You could create a snack schedule for after-game treats.

Parent League Information

All parent information will be posted on our website at yourcsd.com/t-ball

If you have not heard any information from your Coach by February 23, please call the front office at (916) 405-5600.

Picture Day

Rain or shine, **picture day is Saturday, March 2**, at the Wackford Gym located on the corner of Big Horn and Bruceville. Your coach will give you the photo time. Pictures included with your registration are: one 3x5 individual picture and one 5x7 team picture. You will be able to purchase additional pictures if you wish. *The fees for additional pictures are to be paid on picture day. Please be prepared.* Make-up pictures will be scheduled at a later date. Schedules will be available on Picture Day (NO EXCEPTIONS).
