MAKING LIVES BETTER!

2019 T-BALL

The Program

T-ball teaches boys and girls the fundamentals of baseball, good sportsmanship and team work all in a fun, recreational way. Boys and girls play on the same teams, and all players field and bat each inning and no score or outs are kept. Teams are often made up of kids from the same school. Practices begin in March with location, day, and time determined by the coach. The *T-ball Tribune*, detailing picture day, important dates, team assignments, etc., will be available in the office upon registration.
