In Division 3, teams are composed of a minimum of eight (8) players to a maximum of twelve (12) players. Six (6) players per team play on the field in this division.
5. CSD Staff may add or move players to teams as necessary.
6. Coaches will determine practice times. Practice will not be less than once a week for one hour and not more than twice a week for a total of two hours.
7. Parents, families, and friends must sit on the opposite side of the field from the players and coaches during the game. Coaches in Division 1 & 2 are not allowed on the field of play unless it is to assist an injured player.
8. Only Cleared Coaches in Division 3 will be allowed to coach on the field.

9. In Divisions 1 & 2, the playing field is 30 x 70 yards long and is divided into two (2) – 25 yard zones. End zones are 10-yards deep. ID badges and coaches' shirts will not be issued before the Coaches Meeting. Only cleared coaches can have their photos taken with their team(s) during picture day. ID badges and coaches shirts must be worn during: picture day, all leagues practices and games, and any related CSD events. Only cleared coaches may run a practice or a game.

ATTIRE:

1. Cleats are allowed (no metal spikes). Shorts without pockets. Inspections will be made. No bare feet or open-toed shoes allowed.
2. All players must wear a protective mouthpiece; there are no exceptions.
3. All players wear their CSD flag football jersey during play. Jerseys must be tucked in and may not cover the flag belt. Players are responsible for their jersey and mouthpiece. If mouthpieces are lost they are available at local sporting goods stores or at the front desk of Wackford for a nominal fee.
4. Players are not allowed to wear jewelry, hair barrettes, hats, casts or any hazardous items. Players must remove all unauthorized items. The only jewelry that is acceptable is stud earrings. A player may continue to wear stud earrings during flag football games and practices as long as it is covered by a band aid or tape during such times.

GAME TIME:

1. Before the game begins coaches and officials will meet to discuss game rules, penalties, etc... The team captains will take part in a coin toss at midfield. The visiting team may call heads or tails or defer for the home team to call the toss. The coin toss determines first possession. The team losing the toss will determine which side of the field to defend.
2. Game length is four (4) quarters, ten minute running time. There will be a (5) five minute break at halftime and teams will switch ends of the field after half time.
3. Each team is allowed two (2) time outs per half (60 seconds each). There may be an official time out to assist injured players at the official's discretion.
4. The offensive team takes possession at its own (5) five yard line and has **4** plays (Division 3) or **3** plays (Division 1 & 2) to cross the first down marker at mid-field. If they fail to cross the marker at mid-field or score a touchdown, the ball changes

possession and the new offensive team takes over at its own (5) five yard line. If the offensive team crosses the first down at mid-field they have **4** more plays (Division 3) or **3** more plays (Division 1 & 2) to score a touchdown. If they fail to score, the ball again changes possession to the new offensive team at their own (5) five-yard line.

5. The ball must be snapped between the legs to start play (not off to the side). Shotgun snaps are permitted.
6. The clock will stop with two (2) minutes remaining in the game and will be restarted when the offense snaps the ball. After the 2 minute warning the clock will stop on all penalties in Divisions 1 & 2 **only** and will be restarted when the offense snaps the ball.

DURING THE GAME:

1. All possession changes, except interceptions, start on the offensive team's five (5) yard line.
2. Prior to the start of the second half, teams will change ends with possession of the ball going to the team that started the game on defense.
3. Each time the ball is spotted the offense has 30 seconds to snap the ball.

BLOCKING:

1. No blocking or "shadow" blocking is allowed.
2. Any attempts to cause "contact" between players will result in an illegal contact penalty which can be upgraded to unsportsmanlike conduct if the contact is considered malicious.
3. Offensive players cannot impede the defender's opportunity to make a play on an offensive player. Crossing routes are permitted. However, if it appears to the official an offensive player is doing a chip block (purposely getting in the defenders way on a route) a penalty can be called.

RUNNING:

1. The quarterback cannot run the ball; whoever receives the snap is deemed QB.
2. Only direct handoffs behind the line of scrimmage are permitted. No pitches.
3. The offense may use multiple hand-offs behind the line of scrimmage.
4. **NO** hand-offs once the runner has past the line of scrimmage.
5. There are no restrictions on the number of running plays allowed.
6. A play is not considered a run play until the player crosses the line of scrimmage with the ball.
7. Once the ball has been handed-off, all defensive players are eligible to rush.
8. No running plays are allowed in the five (5) yard zones leading up to midfield and the end zone.
9. Spinning is allowed, but players cannot leave their feet to avoid a defensive player (no diving). If the offensive player leaves their feet, the ball is spotted where both feet last touched the ground.
10. The ball is spotted from where the ball carrier's feet are when their flag is pulled.
11. The center must give up possession of the ball to another player for the play to begin. The center is not eligible to receive a handoff but is eligible to receive a pass.
12. The ball carrier has the responsibility to avoid contact.

SCORING:

1. All touchdowns are worth 6 points
2. Extra points are at the discretion of the coach. (1) Point for 5-yard conversions (passing only), and (2) points for 10-yard conversions (pass or run).
3. Defensive interceptions may be returned for touchdowns. If the interception is not returned for a touchdown, then the ball will be placed at the spot of the flag being pulled.

RECEIVING:

4. All players are eligible to receive passes (including the quarterback if the ball has been handed off behind the line of scrimmage.)
5. Only one (1) player is allowed in motion at a time. The player in motion is allowed to move parallel to the line of scrimmage or away from the line of scrimmage. At no time is the player in motion allowed to have any forward progress towards the line of scrimmage.
6. No running start towards the line of scrimmage will be allowed.
7. Players must have one (1) foot in-bounds when making a catch.

PASSING:

1. Shovel passes are allowed but must be received beyond the line of scrimmage.
2. A pass caught behind the line of scrimmage is considered an illegal forward pass and a penalty will be assessed of 5 yards and a loss of down.
3. The quarterback has a seven (7) second pass clock to throw the ball. If a pass is not thrown within the seven (7) seconds, the play is dead and it is ruled a sack where the quarterback is standing when the pass clock expires. Once the ball is handed off, the seven (7) second rule is no longer in effect, but any and all defenders are allowed to rush. The staff will count by hand signals and may count aloud the last few seconds for the quarterback to hear.
4. Interceptions are returnable but not on conversions after touchdowns.

DEAD BALLS:

1. The ball must be snapped between the legs, not off to one side, to start play. If there is an issue with this method of snap, bring it up with the officials before the game in order to work out an alternative method. Final approval goes to the game officials. The opposing coach should be notified of the change.
2. Substitution may be made on any dead ball.
3. A blown whistle signals the play is dead.
4. Play is ruled "dead" when:
 - a. Ball carrier's flag is pulled.
 - b. Ball carrier's flag falls off.
 - c. Ball carrier steps out of bounds.
 - d. Ball carrier's knee hits the ground.
 - e. Ball carrier leaves their feet.
 - f. When officials call flag guarding.
 - g. Touchdown or safety is scored.
5. When a runner is in possession of the ball and it hits the ground, it is ruled a dead ball. The possession will not change and the ball may not be advanced or returned.
6. **NO** recovery of a fumble should be attempted.

RUSHING THE QUARTERBACK:

1. All players who rush the quarterback must be a minimum of seven (7) yards from the line of scrimmage when the ball is snapped. Any number of players can rush the quarterback. Players not rushing the quarterback may defend at the line of scrimmage.
2. Once the ball is handed off, the seven (7) yard rule is no longer in effect and all defenders may go behind the line of scrimmage. A special marker will designate seven (7) yards from the line of scrimmage.
3. Players rushing the quarterback may attempt to block a pass; however, no contact can be made with the quarterback in any way. Blocking the pass or attempting to block the pass while making contact with the passer will result in a roughing the passer penalty. Additionally, players are not allowed to leave their feet (jump) to block a pass.

SCORING A SAFETY:

1. If the runner's flag is pulled while behind the goal line by the defensive team.
2. If the ball hits the ground in the end zone during an offensive snap or hand off.
3. After a safety, the team which scored the safety takes over possession on their 5 yard line.

SPORTSMANSHIP / ROUGHING:

1. If an official or CSD staff member witnesses any acts of tackling, elbowing, cheap shots, spiking the football, trash talking, hard blocking, or any unsportsmanlike act, the game will be stopped. The official will assess a penalty for unsportsmanlike conduct and the player will sit out for the remainder of the game.
2. If a coach is ejected from the game, they must leave the park area. CSD staff will not tolerate irate parents or fans; they will be directed to leave if an official or CSD staff member believes their conduct is unsportsmanlike.
3. Any coaches, players, or fans in violation of the CSD Code of Conduct will need to meet with the CSD Staff prior to the next league event (i.e. practice or game) in order to participate in league activities again.
4. Coaches are responsible for the actions of their players and fans. Referee may ask the coach to address unsportsmanlike conduct by parents and spectators.

PARTICIPATION RULE:

1. **All players must have the opportunity of playing at least two quarters of a four quarter game.** The purpose of this league is to teach children the game of football, and to let them have fun.
2. **No player should play the entire length of a game. If there is an uneven amount of players on a team, the coach should rotate those players who will receive a few more minutes of playing time each week. Each player should play in each half; no player should sit out for a full half (with the exception of those injured or on timeout at an official's request).**
3. Players with a foreign object, such as a hard cast on their arm(s), will be declared ineligible to play in that game. Any object or piece of equipment, which could cause harm to the players on the other team, will also be declared ineligible to play. All such cases will be assessed on a weekly basis by officials.
